Content Creation

Email Marketing

Yuvalteren.com

For this project, we designed a **sleek and impactful website** for **YuvalTeren.com**, embodying the essence of **personal growth and communication coaching**. The layout is **modern and intuitive**, showcasing the firm's expertise while inspiring users to take action toward **reaching their full potential**. This project highlights our ability to create **purposeful, client-focused designs** that drive **engagement and success**.

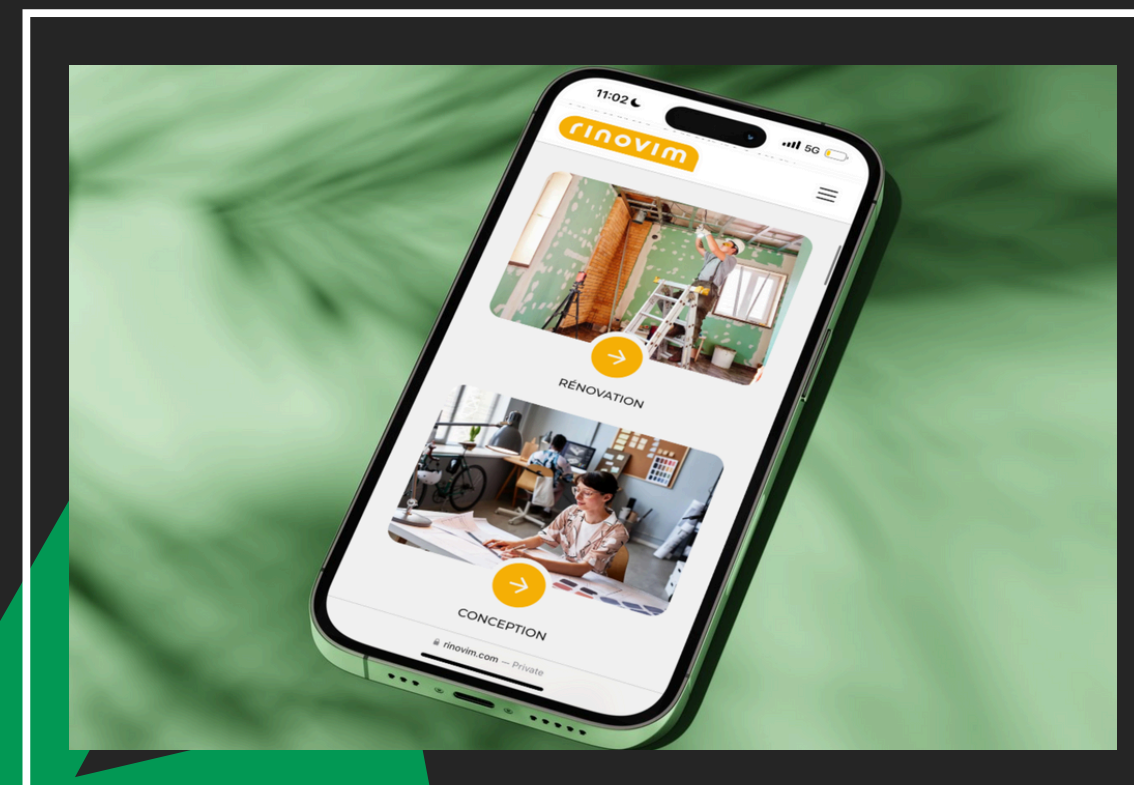

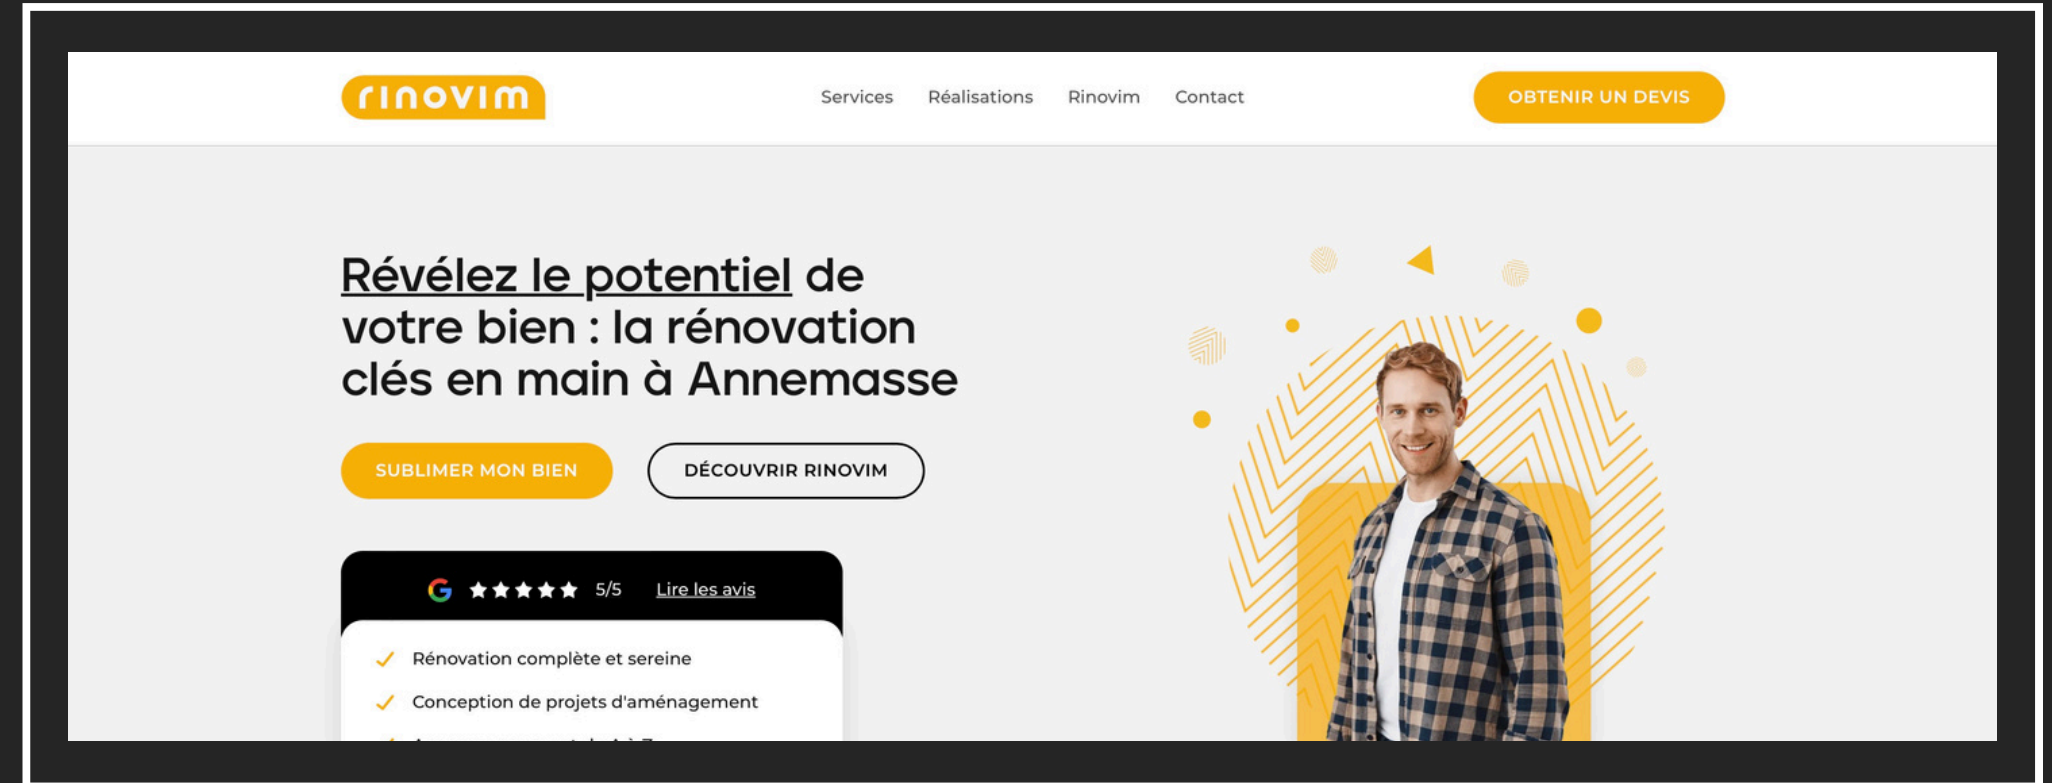

WEB DEV. PORTFOLIO

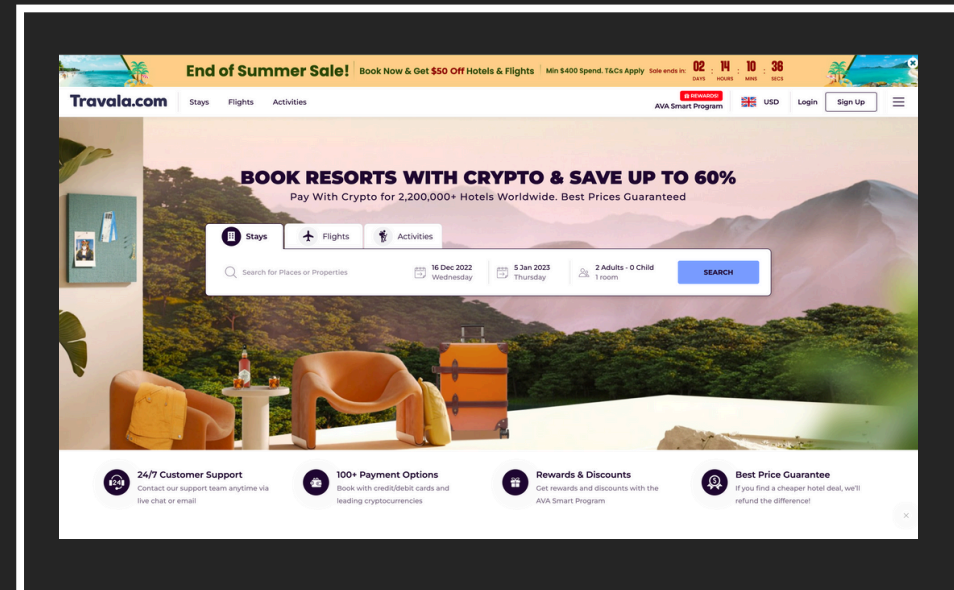

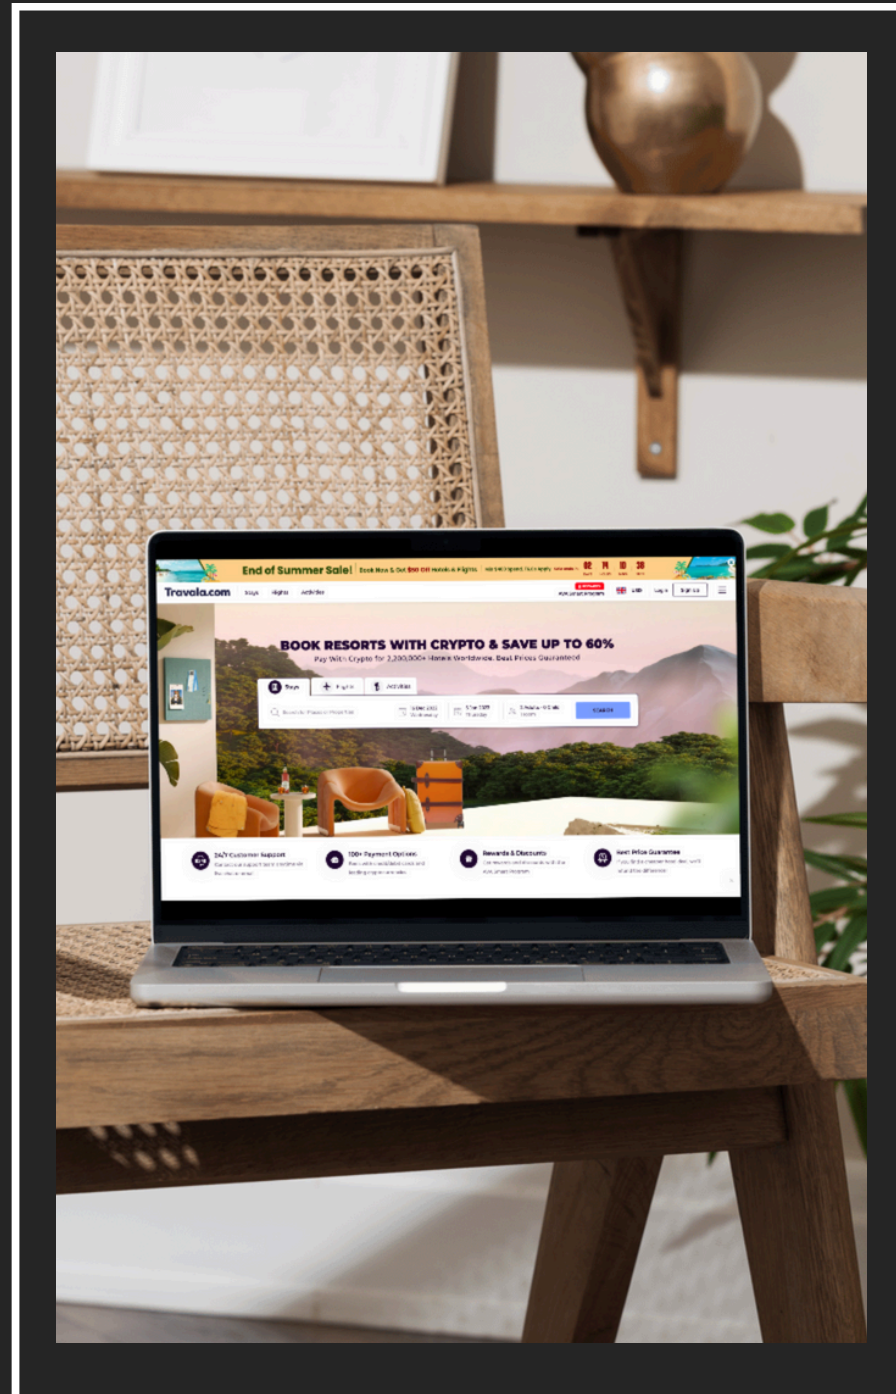

Rinovim.com

For **Rinovim.com**, we created a **modern and responsive platform** that simplifies showcases ou client's property renovation services. The **user-friendly interface** enables easy exploration of services and professional connections, with **flawless functionality** across devices. This project demonstrates our ability to deliver **clean design** and **efficient functionality** tailored to the renovation industry.

85THAGENCY.COM

WEB DEV. PORTFOLIO

Travala.com

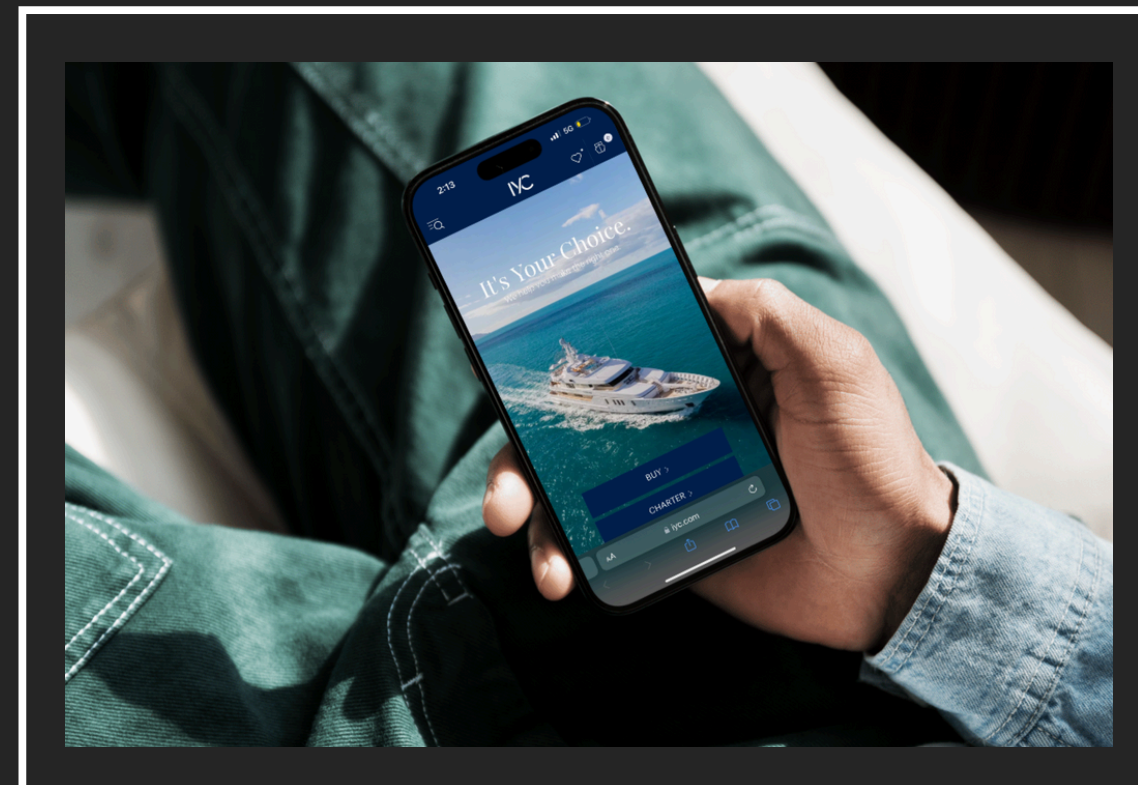

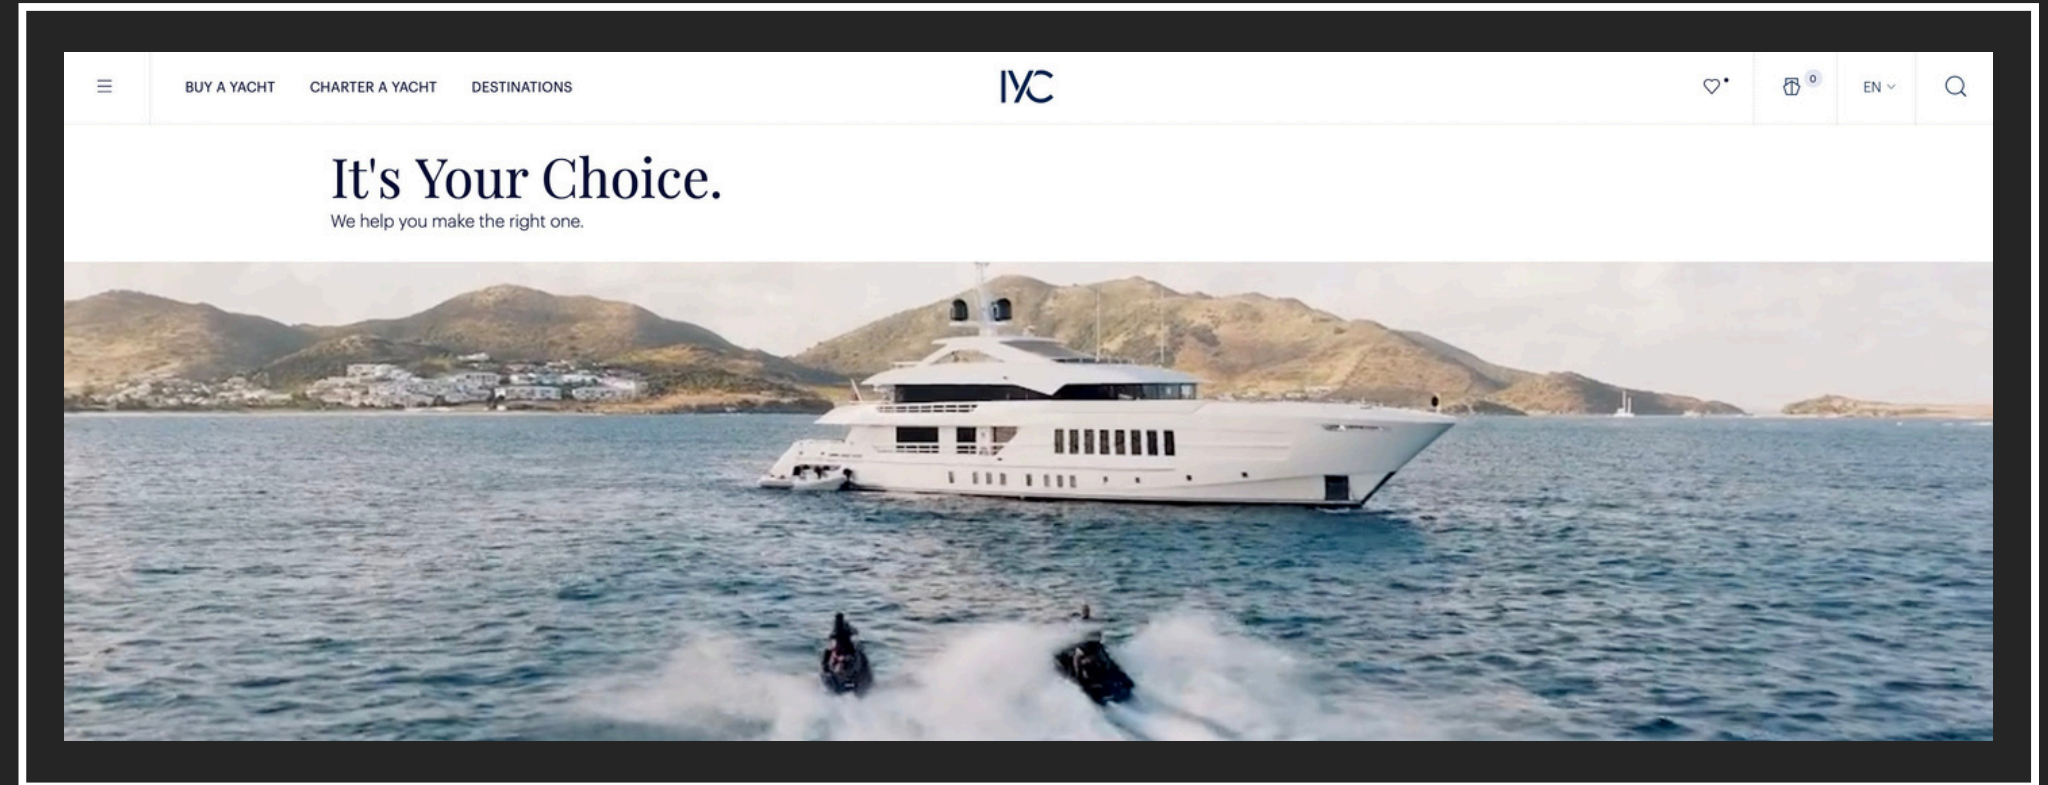

With **Travala.com**, we took on the challenge of **merging** blockchain technology with a **user-friendly travel booking experience**. We focused on creating an **intuitive interface** for both traditional and cryptocurrency payments, ensuring flawless performance across devices. This project exemplifies our skill in delivering **cutting-edge technology** with **elegant design** and **reliable functionality**.

WEB DEV. PORTFOLIO

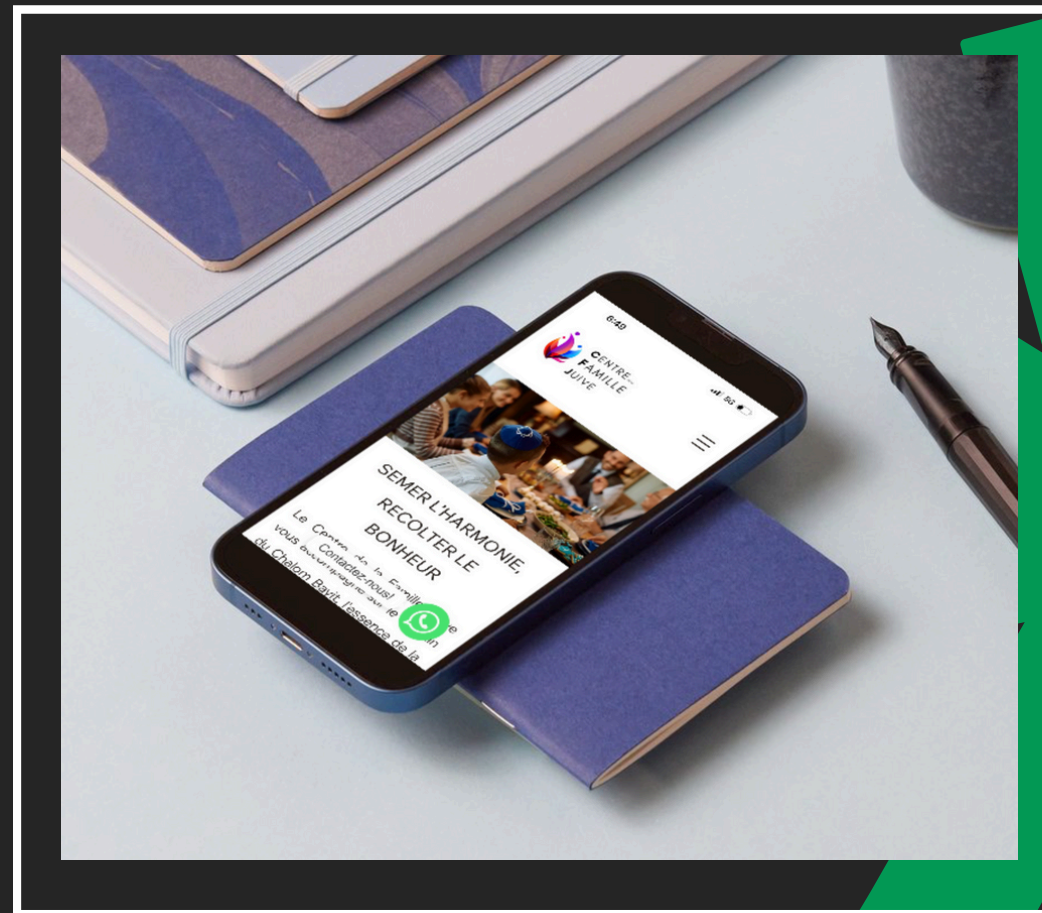

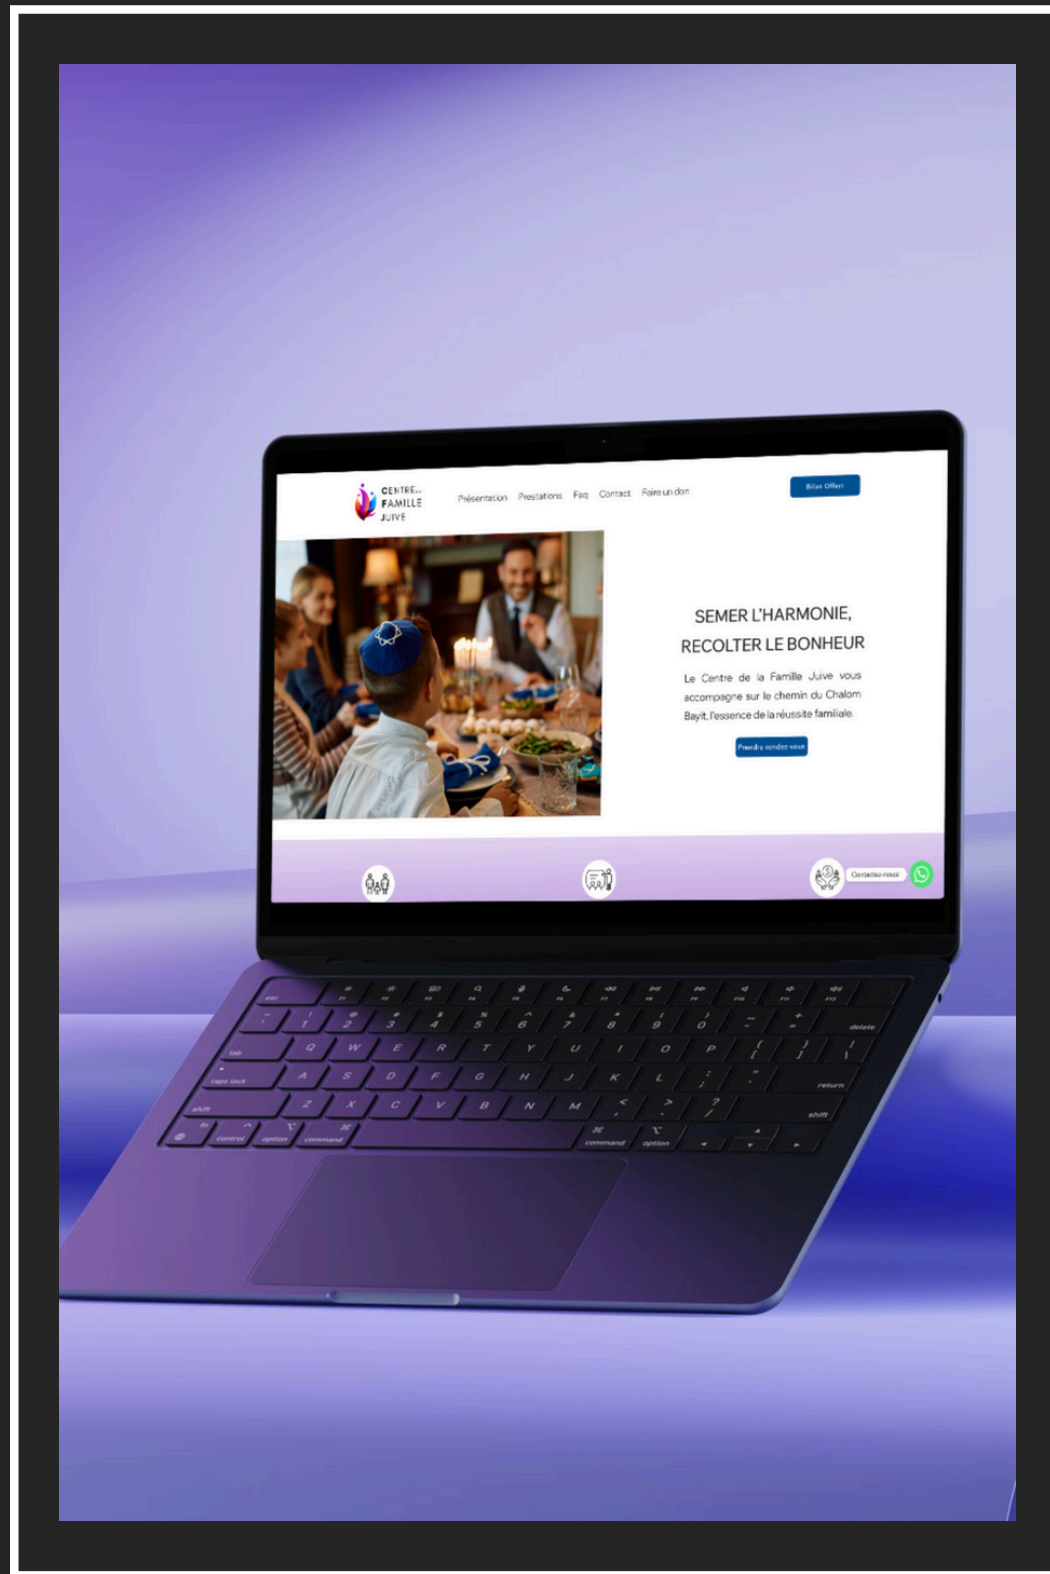

IYC.com

Here, our team crafted a **luxury-focused platform** for the yacht industry, combining **elegant design** with seamless functionality. The site allows users to explore yacht listings and connect with brokers **effortlessly across all devices**. This project demonstrates our expertise in delivering **high-end digital experiences** with refined aesthetics and reliable performance.

85THAGENCY.COM

WEB DEV. PORTFOLIO

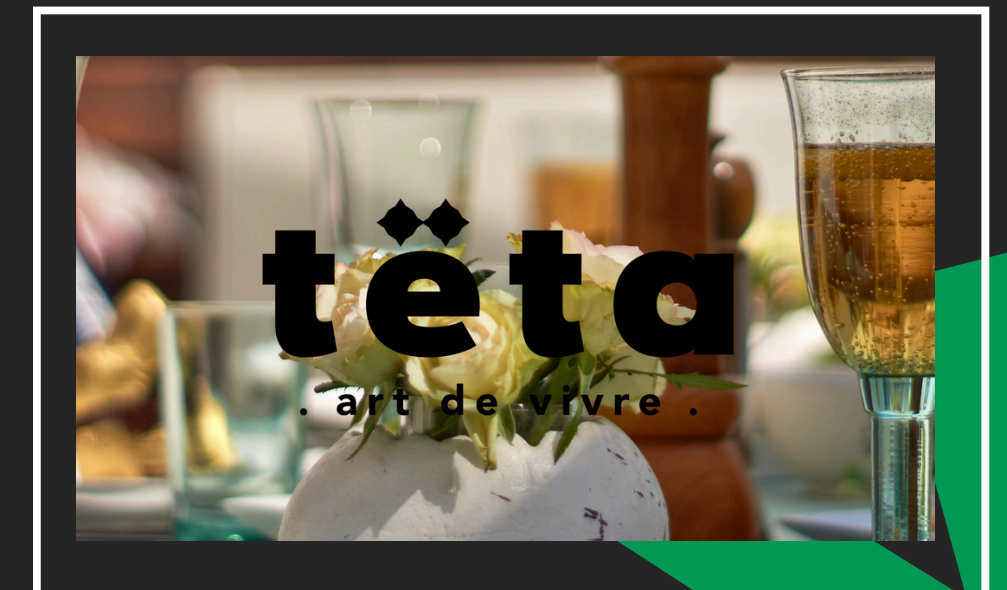

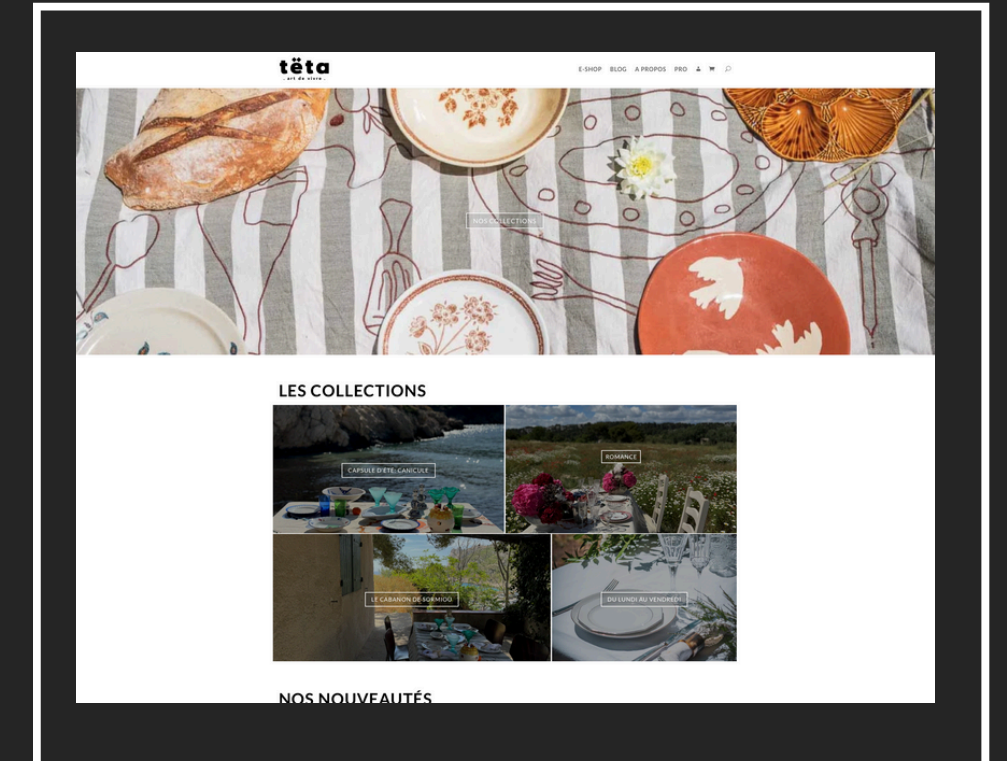

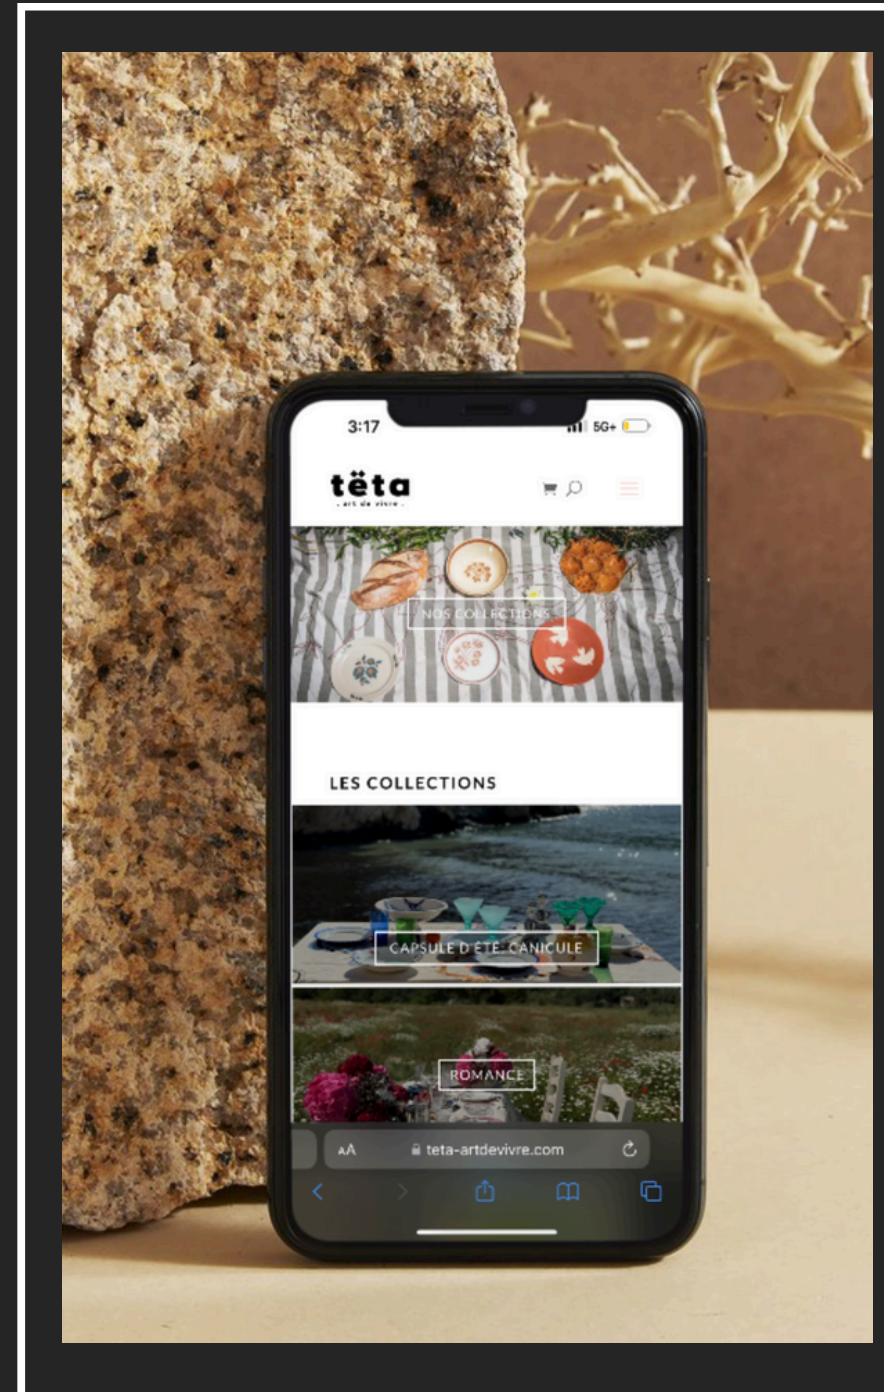

CentreDelaFamilleJuive.com

For **centredelafamillejuive.com**, we created a platform that effectively highlights both the **team** and the **services** offered by the center. The site's design is **clean** and **approachable**, ensuring that visitors can easily connect with the team and explore available services. This project underscores our ability to deliver **purpose-driven websites** that enhance community engagement.

Teta-artdevivre.com

Teta-artdevivre.com is an **e-commerce platform** that beautifully showcases Teta's **unique art and second-hand lifestyle products**. The design emphasizes **elegance** and **user-friendly navigation**, ensuring a **seamless shopping experience**. This project highlights our expertise in creating **aesthetic, functional e-commerce websites** tailored to **niche markets**.
